Earl Flores and Sons Masonry has been a customer of RCP Block & Brick, Inc. for 25 years. The business relationship between RCP Block & Brick & the Flores Family began in 1994. Prior to that the Flores Family was a steady, loyal customer to Bunyard Masonry Supply, located at the RCP Encinitas location.

With Earl Flores Jr. known as "Little Earl" by many at RCP, leading the family masonry company, they have continued to expand the business throughout the Southern California market. Marriott Hotels, The Rhino Art Building in Encinitas and several Lofty Coffee Co. locations are just a few projects that we have had the privilege of working on together.

Quality craftsmanship and exceeding customer expectations has been a top priority for Earl Flores and Sons Masonry. In the past 25 years we have recommended Earl on hundreds of jobs and I am only aware of satisfied clients. Many contractors claim to be experts in all aspects of masonry construction, however that is rarely accurate. We would not hesitate to recommend Earl for block, stone, brick or paving projects because the masonry trade was passed down to him by generations of masons.

Sincerely,

Tom Finch
